Thanks Richard.

I also got an inquiry from someone: Wants to know if local government might be able to file a claim towards E.P.A.

Is that something that might be possible?

Rebecca

I will try to but, it will depend on how “swamped” I am—as of right now we have 3 Federal Tort Claims Act administrative claims submitted through the R8 GKM in box that Region 8 established

Subject: Claims Information

Hi Richard and Mike,

I am out in Durango acting as the claims lead for the Gold King mine release. For our daily reports, we need to include claims submitted. Is this something you could share with me going forward?

Thanks!
